

渋谷・原宿・表参道

Shibuya・Harajuku Omotesando

A fashionable area that continues to set the latest trends.

From Omotesando Subway Station, and you are on the beautiful Omotesando Boulevard lined up with trees. At its corner with Meiji Dori is Laforet Harajuku, the area's pioneering fashion building in its 25th anniversary. Low teen's favorite Takeshita Dori is crowded with shops of Japanese pop singers groups and garment shops for teenagers. The atmosphere is totally different and serene in Meiji Jingu Shrine. On Yoyogi Park you can find abundance of nature; and in Shibuya where the Japanese young culture is concentrated, you can feel Tokyo's today.
