Ueno

Vitalic town where you can feel history and culture.

From Yushima Tenmangu Shrine, dedicated to the God of Learning, walk towards Ueno, and you'll find Ameyoko, representing Tokyo's everyday culture. The style of business here reflects the peppy spirit of Edo. Shitamachi Museum displays a lively reproduction of local life. See Shinobazunoike in Ueno Onshi Park, and Toshogu Shrine, and then you can appreciate the art. In each of Tokyo National Museums and the National Museum of Western Art, there is a fine collection of art that can take over a day to see.
